Volunteer at Erasmus Student Network association
09/2017-06/2019
(Bucharest, Romania)

Mission of ESN association is to represent international students, thus provide opportunities for cultural understanding and self-development under the principle of Students Helping Students.

- recruitment process responsible for new volunteers.
- interaction with foreign students from all over Europe to offer them support during their trip in Romania.

Project -Session of Scientific Communications
(Polyethnic University of Bucharest)

My final bachelor project „Modelling the Magnetic Field of Antitumoral Medication" was presented at the Scientific Communication Session organized by the Bucharest Polytechnic University. The project was realized in COMSOL Multiphysics program (a general-purpose simulation software for modelling designs, devices, and processes in all fields of engineering, manufacturing, and scientific research). Also, here I gained some basic knowledge about **AutoCAD** and **Catia** tools.

Internship – Junior recruiter
UniCredit Bank Romania,
(02.2016-05.2016)
Bucharest (Romania)

- offering support for recruiters by coordinating the schedule and helping potential employees
- participation on the interviews and subsequently providing feedback about candidates as well as offering them input about their answers
- checking references and presenting a job offer, as well as doing the drafting employment contracts (tendering).
